TRAVEL LODGING

Luxury Resort in Horseshoe Bay Offers it All

Horseshoe Bay Resort: A World-Class Destination. Nestled in the heart of the Texas Hill Country, the 7,000 acre *Horseshoe Bay Resort* dates back nearly 40 years and is the product of creative genius by Norman and Wayne Hurd.

These two visionaries conceived the idea of creating a world-class destination resort in the fabled region set amidst the lake and hills. Located 40 minutes northwest of Austin, Horseshoe Bay Resort is now owned and operated by The Jaffe Group and offers travelers the perfect place to enjoy various activities ranging from golf, tennis and water sports to dining and spa treatments.

A premiere golf community, the resort features three championship Robert Trent Jones, Sr. golf courses and scheduled to open in fall 2009, Summit Rock, a highly anticipated Jack Nicklaus Signature Golf Course. Courses provide breathtaking views alongside Lake LBJ and feature an

awe-inspiring "Million Dollar Hole" where a winding cart path takes golfers on a ride through a waterfall. Travelers not ready to tackle the championship courses can head to the made-to-scale, 18-hole, par 72 Bermuda grass putting course.

Aside from golf, Horseshoe Bay Resort offers 12 tennis courts, including the first kid-friendly courts in the country, and a host of water amenities ranging from waverunners to fishing boats and more. After a day full of activity, diners are kept full with seven dining facilities that range from sophisticated lakeside dining at the anchor restaurant, The Yacht Club, to grabbing the "best burger in the Austin-area" at Slick Rock Grill, or overlooking the 18th green at the newly renovated Cap Rock Club House. A 90-foot-long dinner cruise boat is one of the newest amenities available for intimate cocktail parties and seated dinners year round.

Accommodation choices include the Horseshoe Bay Resort Marriott with 385 guestrooms and suites, including
